Hello New Advantage Customer,

Thank You for getting set-up with Advantage Transportation, Inc. We are excited to work with you and we are committed to offering the very best freight service possible.

Advantage Transportation requires payment terms of net 15 days, payable electronically through a secure and safe portal called Bill.com. Advantage requires new accounts to be set-up on AUTOPAY. Bill.com accepts most forms of payment. Please note, there will be a 3% convenience fee for credit card charges. Once your account is set-up in our system, we will email you a link to set-up your payment information in bill.com. Please note your new account will NOT be fully active until your electronic payment method has been set-up in bill.com. Additionally, we will send you a link to get set-up in our portal for placing new orders and tracking your freight.
